## **All First Responders – EMTs, Fire Fighters and Police Force**

Kent County GOP would like to express our appreciation for our law enforcement, firefighters, and emergency medical professionals.

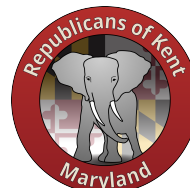

Kent County Republican Central Committee and Republicans of Kent believe that protecting the fundamental rights of every citizen is one of the core responsibilities of government. Our communities are grateful to the men and women of our police force, volunteer fire departments and first responder EMTs who provide diligent, thoughtful oversight to protect the health and safety of our families and neighbors with courage and professionalism.

We appreciate the sacrifices, long hours, time spent away from family, and the difficult and dangerous situations that you face each and every day to keep our communities a trusted, safe place to live and raise our families. Your role in our community-life is indispensable.

We thank you for handling emergencies with un-compromised competence and integrity, for being the steady voice in a storm, for courage and compassion and providing such a meaningful service to the citizens of Kent County, Maryland.
